Plaintiff's

U.S. DISTRICT COURT
DISTRICT OF MASS

vs.

THOMAS M. HODGSON, ET AL.,

Defendant's.

Motion to Appoint Counsel

Now comes the plaintiff Mark Genovesos, please and
moves before this Honorable Court to appoint Counsel to
represent the plaintiff class-action claim.

It would be very hard for the plaintiff's to pursue further
litigation as to the claims raised in the complaint that the
plaintiffs are unable to research the law pertaining to the claims
raised in such complaint and request for this Court to allow this
motion in order for the plaintiff's claim to survive before this
Court.

Further plaintiff is the lead plaintiff please and is unable
to conduct proper research or able to set further ground work
for the (2) two claims raised within this class-action claim.

Knowing that it is important that this Court understand that if the prisoners are without a adequate law library or even any prisoner official capable, nor trained within the law to assist any inmate, that are detainees waiting to pursue there pending cases.

It is important that this motion be granted to protect all prisoners who are presently confined within the Bristol County House of Correction located in North Dartmouth

Respectfully Submitted
